When General Manager Tony Medd joined Assistant General Manager Lorraine Yeung on the Summit team in 2011, the hotel underwent a grand transformation which has resulted in numerous accolades, including reaching the coveted top spot on TripAdvisor as Whistler's #1 traveler-rated hotel.

In addition to 81 uniquely styled rooms, the Summit is home to several noteworthy businesses including North America's only authentic Japanese Spa, award-winning restaurants Sachi Sushi and Elements Urban Tapas Parlour, and the co-working café, EighthyOne.

Summit Guests can often be seen enjoying the outdoor patio with heated pool, hot tub, and sauna, or mingling in the lobby during âpres hours. With free stays and special perks for your four-legged friends, Summit has gained a reputation as Whistler's friendliest pet-friendly hotel.
