What's new in Whistler?

It's been snowing ... a lot!

With 90cm in the past week and 35cm+ forecasted for the next couple days, the winter season is officially here and riding conditions are great.

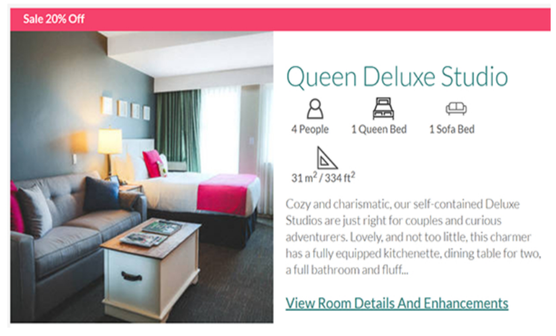

Check out this video we posted to Instagram to see some of the dreamy snowfall we've been blessed with.

If a visit to Whistler is on your radar this winter, read our 2020 Whistler Winter Guide to discover Whistler's best indoor and outdoor activities, events, and our top recommendations for dining and après this winter.

Finally, if you visit our Booking Website, you'll see that we're offering 20-30% off all winter bookings (30% off when you book 6+ nights). **Click here to view Rooms and Availability at the Summit Lodge.**

As always, please email frontdesk@summitlodge.com or call +1 (888) 913-8811 to speak to one of our friendly Front Desk Agents.

We hope to see you soon!
